### Academic Focus

**Sight Words:** have, said

**Language Arts:** During reading groups, we are working on tracking by pointing to the words. Students are learning to sound out and blend words. They are also learning to read sentences fluently and with expression. We are continuing our word family bootcamp. This week we are learning the -ug family (mug, bug, hug).

**Writing:** This week, we will continue our "How to" unit of writing. Students will learn how to write about things they know a lot about.

**Math:** Students are learning to solve story problems. The foundational work of breaking apart and putting together numbers is now applied by using story contexts. Students listen to a story and discuss what they know and don't know to help them make sense of the story.

### News & Notes

**Toys:** Please remind your child that toys need to stay at home. We cannot prevent toys from getting lost or taken at school.

**100<sup>th</sup> Day:** In Kindergarten, we will celebrate the 100<sup>th</sup> Day of School in class on Wednesday, February 7<sup>th</sup>. There will be no at-home projects for this day.

**Valentine's Day:** We will be celebrating Valentine's Day on Wednesday, February 14<sup>th</sup>. We will also send out a Sign-Up Genius soon for a few items needed for our celebration.
