Academic Focus

Sight Words: two, look

Language Arts: During reading groups, we are working on tracking by pointing to the words. Students are learning to sound out and blend words. They are also learning to read sentences fluently and with expression. We are continuing our word family bootcamp. This week we are learning the -ut family (hut, nut, but).

Writing: This week, we will continue our "How to" unit of writing. Students will learn how to write about things they know a lot about.

Math: Students are learning how to identify and choose a math tool to explain their thinking. They are beginning to work on demonstrating how write a matching number sentence with symbols. For example, 9 is 5 and 4 or $1 + 6 = 7$.
